

FAST CRIMPING TOOL FOR CAT.6A KEYSTONE JACK

Product Type TELECOMMUNICATION INFRASTRUCTURE ACCESSORY

Product Family FISACCESSO

Standard RoHS Compliant

Applications

Installation Environment Indoor

Operation Environment Indoor non aggressive

Compatibility

- Keystone Jack Multilan Cat.5e UTP;
- Keystone Jack Multilan Cat.5e FTP;
- Keystone Jack Gigalan Premium Cat. 6 UTP;
- Keystone Jack Gigalan Cat. 6 Shielded;
- Keystone Jack Gigalan Augmented Cat. 6A UTP;
- Keystone Jack Gigalan Augmented Cat. 6A Shielded.

Warranty 12 months

Advantage

- Enables the simultaneous connection of up to 08 metal conductors insulated in standard 110 IDC connection terminals;
- Has replaceable module;
- It features a blade for replacement reserves;
- The system connection is made without impact;
- Ensures time saving during the process of connectorization;
- Uniform crimping allowing better performance;
- Reduces the force required on the connection process;
- Cuts the conductors excess;
- Ensures 1500 connections for each module of the tool.

Material of Product body Termoplastic / Aluminium

Connector Type 110IDC

Package

Package Type Plastic / Cardboard

Amount per box gift 01 piece

Amount per box (carton) 30 pieces

Associated Solutions Management of cables and accessories
