

ANGLED MODULAR PATCH PANEL 48P 2U

Product Type	Patch Panel
---------------------	-------------

Product Family	FISACCESSO
-----------------------	------------

Standard	ROHS Compliant
-----------------	----------------

Applications

Installation Environment	Indoor
---------------------------------	--------

Operation Environment	Non Aggressive
------------------------------	----------------

Compatibility	All FCS products
----------------------	------------------

Warranty	12 months
-----------------	-----------

Advantage

- Angled Patch Panel;
- 48 unloaded positions;
- 2U height;
- Resistant and corrosion-protected product for the conditions specified for indoor use (TIA/EIA 569);
- Displays width of 19" according to requirements of the standard TIA/EIA-310E;
- All positions are numbered allowing connections identification;
- Enables insertion of icons (blue and red colors included);
- Identification label with acrylic cover included;
- Allows scalability as plant grows;
- Product developed for high-density, not requiring the use of a horizontal cable manager, although an adequate vertical cable manager is necessary;
- Saves rack space;
- Provides easier installation of patch cords;
- Compatible with keystone Jack CAT.5E, CAT.6 and CAT.6A U/UTP;
- Compatible with all Furukawa female connectors, F modules and modules with optical adapters;
- Supplied with fixing screws.

Identification	Furukawa frontal logo
-----------------------	-----------------------

Constructive characteristic

Height	88.10mm (2U)
---------------	--------------

Width	482.6mm (19")
--------------	---------------

Depth	110 mm
--------------	--------

Metal thickness	1.5mm
------------------------	-------

Painting thickness	0.1 mm
---------------------------	--------

Painting Type	Epoxy
Color	Black
Connector Type	RJ-45, SC, LC, F and blank panel
Number of Ports	48 Positions
Material of Product body	Steel SAE1020
Accessories Included	Mounting screws
Package	
Package Type	Cardboard
Amount per box gift	01 piece
Amount per box (carton)	01 piece
Dimension (WHD)	520 x 110 x 130 mm
Associated Solutions	Cable and accessories management
